Suggestions by Ulf

- UEMS board to suggest names of EBMG/M board members.
- UEMS/SCG commissions, for a limited time period, to EBMG/MS to, on behalf of UEMS/SCG, to build a model for exams and perform them.

Thereafter EBMG/MS leaves a report to us on those who have passed, and we issue the diplomas

In the examination fee is included a 5 year membership I EBMG and the examinee can add to the title Elected Member of EBMG

After 5 year a re-examination is needed and how that should be done have to be discussed later and a new membership fee have to be paid.

The EBMG have some money from ESHG for meetings of the EBMG, e.g. to discuss the core curriculum and the syllabus.
